

Mission

Our mission is to impact the lives of young men and women, furthering their education beyond high school. Because the 1 + 1 = U program realizes that not every school is for every student, we gear students toward success in colleges or universities; technical or vocational schools; and prep military academies or boarding schools. We seek to encourage self-discipline, integrity and education in a holistic environment that promotes leadership and responsibility.

Donations

1+1=U, Inc. strives to provide the best opportunities for our student participants. Many of these efforts are made possible through generous donations from individuals and companies in our community. Through donations, we are able to achieve several outcomes which include:

Funding travel, food, cultural experiences outside of participants' environments, retreats and other educational activities

Participants taking the ACT (American College Testing) Exam and any appropriate tutoring

College scholarships for participants to use towards tuition, text books, food, supplies, etc.

- **U Club Super (\$50,000 +)**
- **U Club Plus Sponsorship (\$5,000 – \$50,000)**
- **U Club Sponsorships (\$25 - \$5,000)**

We thank you in advance for your donation which supports our purpose of giving youth a chance.

A 501 (C) 3 Organization

San Diego Chargers' CJ Spillman poses with Executive Director Margaret Demaree.

1+1=U, Inc. is a 501(c)3 organization that targets middle and high school students who struggle with behavioral disorders in and out of the classroom. Our young women, who we call **U Girls** and our young men, who we call **U Guys**, participate in various activities geared towards boosting academic and personal

goals. Each student participating in the 1 + 1 = U program must sign a personal **1+1=U, Inc.** success contract, which outlines program expectations and further assists with self-development and self-actualization.

Our Scholarship

The Burton-Taylor College & Academic Scholarship provides deserving high school seniors with monetary support towards their pursuit of post-secondary education. Scholarships may be used to offset any educational expense. For additional information about this scholarship, or to obtain an application, please log onto our web site at www.1plus1equalsu.com.

NFL Rams' Keenan Burton poses with 1+1 participants.

After a student has completed the 1+1=U program, the following results should be achieved:

The 1+1=U Success Advantage:

- Student has successfully increased verbal and written communication skills
- Student has successfully increased ACT or SAT test scores in preparation for college
- Student has enrolled in a military academy, reform school or college
- Students with learning disabilities are successfully identified and guided towards success
- Students in program are aligned with mentors who are in positions to offer jobs upon completion of school
- Parents of home-schooled students are well-prepared to make educated decisions regarding their children's future
- Students who leave our program are now equipped to make a positive difference in the world, using the principles taught through the 1+1=U program

The Long Term Benefits

Because this program is an alternative to a life of destruction, there will always be long term benefits from student participation. 1+1=U serves as a new family, a new beginning and a new way of life for many, and upon graduation, they are still part of the 1 + 1 = U family. Some students have returned as mentors and help guide students through the same path that lead to their success. 1 + 1 = U takes what would have been a long term mistake for some troubled students and provides them with a torch that gets passed from one generation to the next.
